Reuse

Good for your plants. Good for the planet.

2. PRODUCT DIMENSIONS

Planter size: 22 × 22 × 22 cm

1. PACKAGING OVERVIEW

1 Outer Shipping Box

Sturdy recycled kraft cardboard box with printed branding and eco icons for safe shipping and handling.

2 Open Box with Insert (Secure & Organized)

The open box shows how the molded pulp insert is placed inside the recycled cardboard box. The planter is positioned in the main compartment, while the care guide, seed pack, and LECA pack are arranged on the right side for easy unpacking.

3 Securely Packaged for Safe Transport

The molded pulp structure keeps the planter and small packs stable during transport. The raised edges and paper tabs reduce movement inside the box and help protect the planter, water tank, and accessories from damage.

3. WHAT'S INSIDE

5. SECOND-LIFE USE

ONE PACK, TWO PURPOSES.
